[harrypiercing.com](https://www.harrypiercing.com) [HarryPiercing](https://www.instagram.com/HarryPiercing)

Motivated aspiring piercer with a longstanding interest in body piercing and body modification, currently seeking apprenticeship opportunities within a professional studio environment.

Completed BBV, First Aid and CPR certification in preparation for entering the industry, alongside several years of customer-facing retail experience developing professionalism, communication, and rapport-building skills.

Experience

Retail Assistant Sainsbury

07/2018 – Present | Christchurch

- Delivered professional customer service within a fast-paced retail environment, developing strong communication and rapport-building skills.
- Trusted with additional responsibilities including opening and closing procedures, front-end operations, Inventory Management, deliveries, and maintaining store standards.
- Demonstrated reliability and professionalism, leading to discussions around progression into additional responsibility and supervisory duties.
- Recognised multiple times through colleague recognition awards for professionalism, reliability, and contribution within the workplace.

AutoCAD Technician (Work Experience) Interserve

05/2016 – 05/2016

- Observed professional engineering workflows and developed confidence working within structured professional environments.

Extracurricular Activity

National Citizen Service

04/2017 – 05/2017

- Performed volunteering work, helping refurbish the garden of a local BCHA centre, which is a housing association charity in Bournemouth.
